

Description:

The Second Community Support Framework (CSF II) was the sum of operational programmes for the execution of development projects in Greece, which was financed by the European Union and the Greek State. The funding covered the five year period from 1994 to 1999.

One of the programmes of the (CSF II) was the Operational Programme for Education and Initial Vocational Training (O.P. "Education") which was implemented by the Ministry for National Education and Religious Matters (Y.P.E.P.T.H.). The first phase of the programme "Upgrading the University of the Aegean Library" was implemented under the O.P. "Education" I and the CSF III during the period 1996-1999.
