

The Library and Information Centre delivers textbooks to students of the University of the Aegean that had been delivered by mistake to other students in previous semesters. If the specific title that the student has declared is available in the Library Branch, the student can claim that from the Library Branch presenting the pin he/she has obtained from EUDOXUS, his/her academic ID or Identification Card and his/her Student Registration number. The student receives the book in request and signs a receipt acknowledgment form upon receipt of the book.
