News about Grove Art Online and Grove Music Online

Dear

By now we hope you are aware that we are putting the finishing touches to the major redesign of Grove Art Online and Grove Music Online. We are also well on the way to launching our new Art and Music reference content gateways, Oxford Art Online and Oxford Music Online. As with most large construction projects, we have encountered some unexpected delays, but we are now confident that the new resources will be ready for you to use before the end of the year.

The new sites contain some exciting developments, including...

Greatly improved searching and a new, user-friendly interface

In addition to this, Grove Art Online will benefit from...

Over 5,000 new images on the site

Linking via partnerships to other resources, including ARTstor and Art Resource

...and Grove Music Online will offer...

External audio links to classical.com

Links to the RILM Database of Music Bibliography
