
Description:

Dear Springer Customer,

New SpringerLink up and running!

The expanded and improved SpringerLink is now the world's most comprehensive online collection of STM journals, books and reference works.

SpringerLink offers you a unique set of features:

- More powerful and improved search engine.

- New user-friendly guided navigation tool.

- The integration of books, journals, and reference works on a single user interface.

- Close to 3 million contributions.

SpringerLink

Join us for one of the New SpringerLink demonstrations.

During these one hour online sessions we will guide you through the features of the new platform.

For upcoming sessions please visit www.springer.com/librarians [1].

More information on SpringerLink can be found on www.springer.com/welcome-kit [2].

Yours sincerely,

George Scotti
